

This is the first Operator to file with the Division a  
"DECLARATION OF EXEMPTION" the filing will be by County  
using the initials DOE in place of #43.

There is a seperate file drawer set up for the Operators  
which fall under this category, Titled: DOE

So, this file will be found in the "DOE" drawer under  
Grand County, numbered or filed as: DOE-019-001

If in the future the Operator is no longer exempt he will  
be listed as any other active file taking the next last  
number available i.e. DOE-019-001 to 43-019-00?
